PRODUCED & MARKETED BY ROUSSELOT

DARLING
INGREDIENTS

Peptan IIm; hydrolyzed collagen Type II matrix, delivering multiple joint health benefits.

From weekend warriors to the young at heart, consumers increasingly understand the importance of healthy joints to their mobility and are taking preventative measures such as dietary supplementation. Statistics¹ suggest:

67%
of heavy users

42%
of light users

...are likely to use supplements to manage or prevent joint issues

47%
of heavy supplement users

...are likely to use supplements to manage inflammation in the body

WHAT IS JOINT CARTILAGE?

Cartilage consists of a matrix that gives it its form and function

WHAT IS TYPE II COLLAGEN?

Type II Collagen originates from cartilage and is found in a natural matrix together with GAGs: Chondroitin sulfate and hyaluronic acid

3 KEY JOINT HEALTH DIMENSIONS

PROVIDES CUSHIONING AND LUBRICATION

REDUCES INFLAMMATION

HYDROLYZED COLLAGEN TYPE II
